INTRODUCTION

ABC Laboratories, International. Internet Reporting

American Bio – Clinical Laboratories, International is dedicated to providing our clients with the utmost convenience by introducing the latest electronic Reporting System the **eReports**.

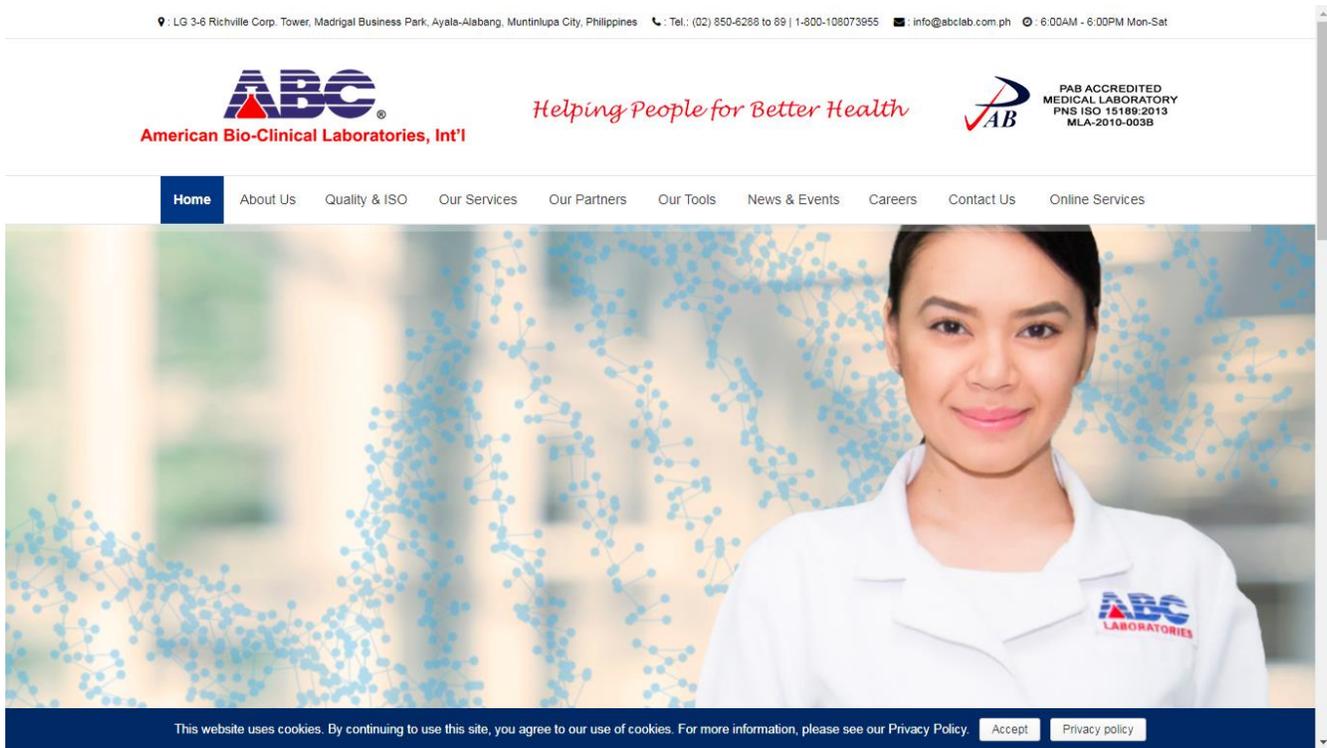

eReports is a web-based technology that has a new feature that can provide graphical presentation of each patient's result. The enhanced security feature includes the following:

1. PDF laboratory test results is password protected
2. PDF laboratory result cannot be highlighted and copy as text
3. Auto locked out for 5 attempts of incorrect password
4. Auto log off every 15 minutes
5. Unique session every login
6. Encrypted data transfer

eReports will also be available in mobile application for IOS with the software version of IOS 13 and android with software technology of Oreo.

Accessing eReports on the Web

1. Open Internet Web Browser such as Google Chrome, Internet Explorer, Mozilla Firefox, etc.
2. Access the link www.abclab.com.ph

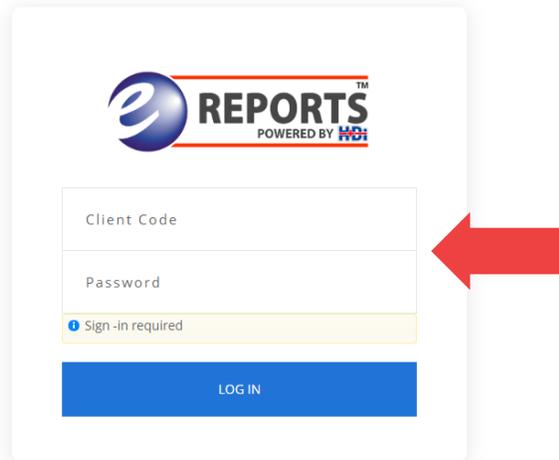

3. On the Menu Tab, click eReports under Online Services Tab

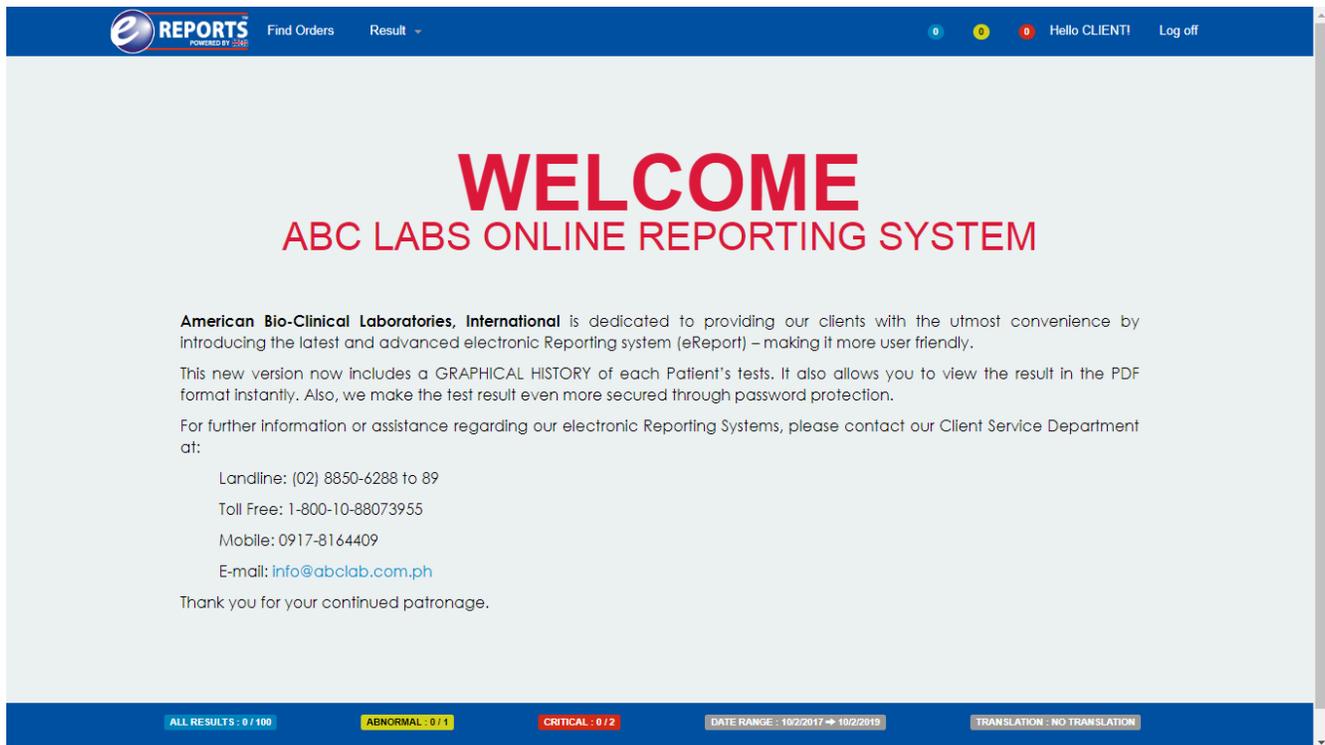

Login using Web Application

1. Getting started. Enter your Log in credentials Client Code and Password. By default, the Client Code and Password are the client number.

The screenshot shows a login interface for 'eREPORTS POWERED BY HBI'. It features two input fields: 'Client Code' and 'Password'. Below these fields is a yellow message box that says 'Sign-in required'. At the bottom of the form is a blue button labeled 'LOG IN'. A red arrow points from the right side of the image towards the 'Client Code' input field.

2. Upon successful login, it will direct you to the Welcome Page.

The screenshot displays the 'WELCOME' page of the 'ABC LABS ONLINE REPORTING SYSTEM'. The header is blue and contains the 'eREPORTS' logo, navigation links for 'Find Orders' and 'Result', and user information including 'Hello CLIENT!' and a 'Log off' link. The main content area is light gray and features a large red 'WELCOME' heading followed by 'ABC LABS ONLINE REPORTING SYSTEM'. Below this, a paragraph of text describes the system's features and provides contact information for American Bio-Clinical Laboratories, International. At the bottom, a blue footer bar displays summary statistics: 'ALL RESULTS : 0 / 100', 'ABNORMAL : 0 / 1', 'CRITICAL : 0 / 2', 'DATE RANGE : 10/2/2017 → 10/2/2019', and 'TRANSLATION : NO TRANSLATION'.

WELCOME
ABC LABS ONLINE REPORTING SYSTEM

American Bio-Clinical Laboratories, International is dedicated to providing our clients with the utmost convenience by introducing the latest and advanced electronic Reporting system (eReport) – making it more user friendly.

This new version now includes a GRAPHICAL HISTORY of each Patient's tests. It also allows you to view the result in the PDF format instantly. Also, we make the test result even more secured through password protection.

For further information or assistance regarding our electronic Reporting Systems, please contact our Client Service Department at:

Landline: (02) 8850-6288 to 89

At the bottom, a blue status bar shows summary statistics: 'ALL RESULTS : 0 / 100', 'ABNORMAL : 0 / 1', 'CRITICAL : 0 / 2', 'DATE RANGE : 10/2/2017 → 10/2/2019', and 'TRANSLATION : NO TRANSLATION'.

Finding Orders

1. Enter at least 1 required field.

- Accession No.
- Patient Name
- Report Date
- You may opt to filter the Sex with Any, Male and Female.

Find Orders

Accession #

Patient Name

Sex All Male Female

Report Date

	Accession #	Report Date	Patient	Sex	Age
View	190919001	September 19,2019	DUMMY PATIENT	M	29Y
View	190919002	September 19,2019	DUMMY PATIENT 2	M	20Y
View	190919003	September 19,2019	DUMMY PATIENT 3	M	20Y
View	190919004	September 19,2019	DUMMY PATIENT 4	F	20Y
View	190919005	September 19,2019	DUMMY PATIENT 5	M	20Y

ALL RESULTS : 2 / 100 ABNORMAL : 0 / 1 CRITICAL : 1 / 2 DATE RANGE : 10/4/2017 -> 10/4/2019 TRANSLATION : NO TRANSLATION

2. Click Apply Filter.

The screenshot shows the 'Find Orders' interface. At the top, there is a navigation bar with the 'e REPORTS' logo, 'Find Orders', 'Result', and user information 'Hello CLIENT1' and 'Log off'. Below the navigation bar, the 'Find Orders' section contains search filters: 'Accession #' (Search ID Here), 'Patient Name' (dummy), 'Sex' (radio buttons for All, Male, Female), and 'Report Date' (mm/dd/yyyy). A blue 'Apply Filter' button is located to the right of the date fields, with a red arrow pointing to it. Below the filters is a table with columns: Accession #, Report Date, Patient, Sex, and Age. The table lists 10 dummy patients from 190919001 to 190919010, all with a report date of September 19, 2019. At the bottom, a status bar shows: ALL RESULTS : 2 / 100, ABNORMAL : 0 / 1, CRITICAL : 1 / 2, DATE RANGE : 10/4/2017 → 10/4/2019, and TRANSLATION : NO TRANSLATION.

3. Choose the identified result then click View at the left portion.

This screenshot is identical to the previous one, but with a red arrow pointing to the 'View' link in the first row of the table (Accession # 190919001). The rest of the interface, including the search filters and status bar, remains the same.

Viewing of Test Results

1. Click Result Drop Down. Laboratory results are coded as follows:

- All Result – Blue Coded
- Abnormal Result – Yellow Coded
- Critical Result – Red Coded

ABC LABS ONLINE REPORTING SYSTEM

American Bio-Clinical Laboratories, International is dedicated to providing our clients with the utmost convenience by introducing the latest and advanced electronic Reporting system (eReport) – making it more user friendly.

This new version now includes a GRAPHICAL HISTORY of each Patient's tests. It also allows you to view the result in the PDF format instantly. Also, we make the test result even more secured through password protection.

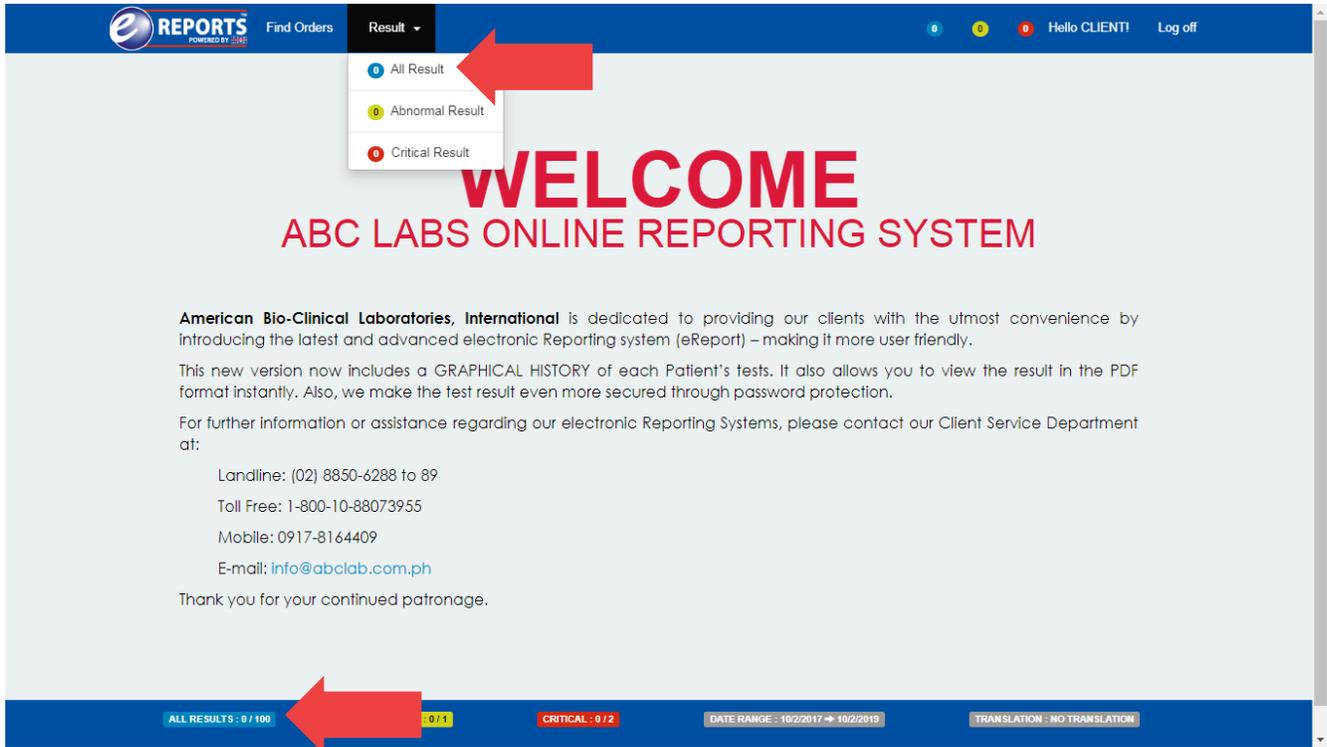

For further information or assistance regarding our electronic Reporting Systems, please contact our Client Service Department at:

Landline: (02) 8850-6288 to 89
Toll Free: 1-800-10-88073955
Mobile: 0917-8164409
E-mail: info@abclab.com.ph

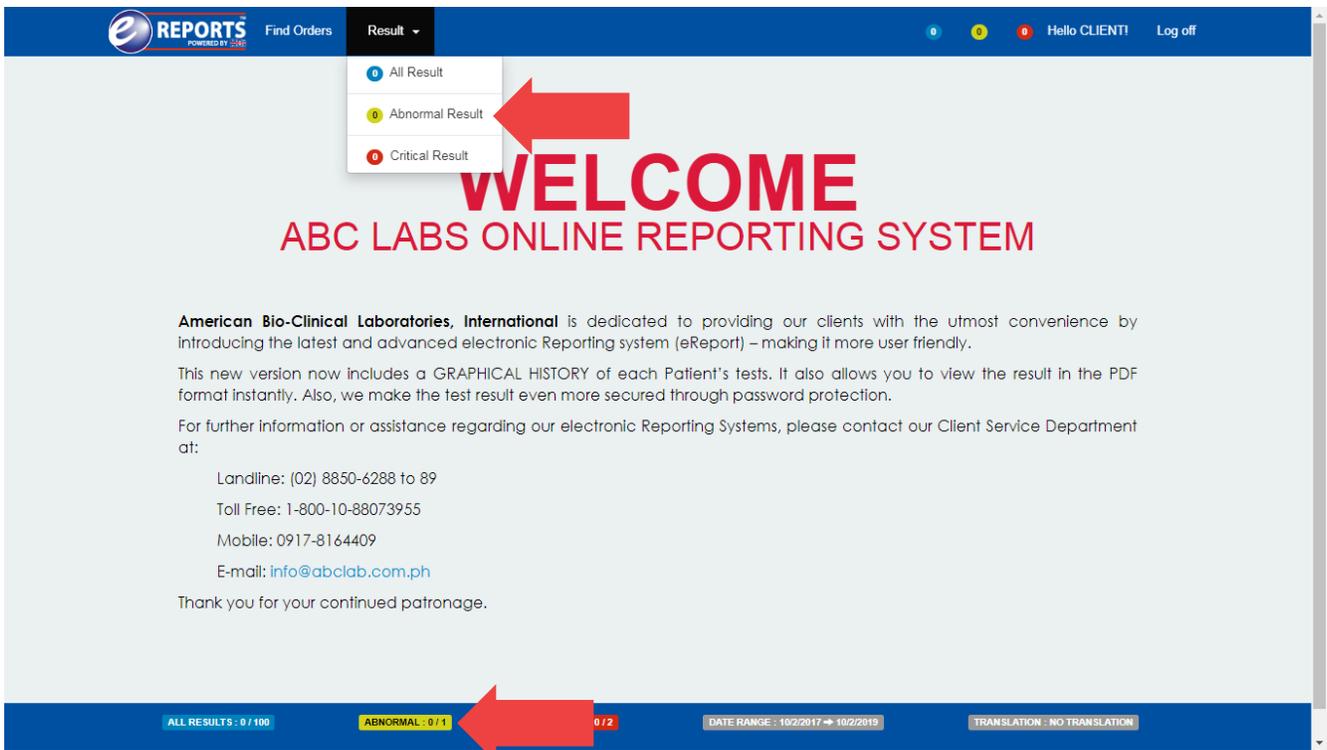

Thank you for your continued patronage.
